vs.)	
)	
United States of America,)	
)	
Respondent.)	
_____)	

ORDER

On May 26, 2006, the petitioner, Mack Ray Little, (“petitioner”) filed a writ of habeas corpus. (Doc.#1). The petitioner submitted a petition for writ of *error coram nobis* to challenge his “conspiracy” conviction in Criminal Action No. 75-213 (DSC) arising out of a bank robbery. On June 26, 2006, Magistrate Judge Marchant Bristow, to whom this case had previously been assigned, issued a Report and Recommendation. In the Report, Magistrate Judge Bristow recommends that the District Court dismiss without prejudice the petition for writ of *error coram nobis* and that the respondent not be required to file a return. (Doc. #4). Objections to the Report were due July 14, 2006. The plaintiff has not filed objections.

This Court is charged with conducting a de novo review of any portion of the Magistrate Judge’s Report and Recommendation to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this Court is not required to give any explanation for adopting the recommendation. See Camby v.

Davis, 718 F.2d 198, 199 (4th Cir. 1983).

The Court has carefully reviewed the Magistrate Judge's Report and Recommendation. For the reasons articulated by the Magistrate Judge, it is hereby **ORDERED** that the Magistrate Judge's Report and Recommendation is **ACCEPTED** (Doc. #4) and the petition be dismissed *without prejudice* and *without requiring the respondent to file a return*.

IT IS SO ORDERED.

S/Terry L. Wooten
